Secretary's Report: Minutes were read from the Oct. 7th meeting, Victor Malloy moved to accept, JT 2nd,-----**motion passed.**

Members present were----

O.B. Under OB Sam Asked about the status of the new plane stands, Kenney said they were ready to assemble but he didn't have them with him. After some discussion about canceling the Fun fly due to the high winds it was decided that we would spend the afternoon assembling the new stands. Ken agreed to go home and get the material while others finished digging the holes, and then we would complete the assembly of the stands.

JT brought up the Christmas dinner because we had it scheduled for Ryans and Ryans had recently closed their doors. After some discussion it was decided to call MCL to see if they had anything available, Vic volunteered to call and did so immediately and found that they were able to accommodate us on our original date & time so the dinner will be on Sat. evening December the 8th at 6:00 at MCL cafeteria. Thanks Vic.

Next under NB Sam presented a bill from Rick for office expenses for the year in the amount of \$34.02 for approval. JT moved to approve the bill and Roger 2nd it—**motion passed.**

It was suggested by Pete that we have our Jan/ Feb. meetings at MCL, the idea was generally accepted and we will check with them at our Christmas dinner as for a date. Generally when we do this we have it on a Thursday evening.

Next we decided that because we canceled today's fun fly we would just divert it to the Top Turkey fun fly on the 18th of this month and hope for better weather.

Being no other NB Nick moved to adjourn, James Robinson 2nd—meeting adjourned

Next meeting time will be Christmas dinner at MCL.
